

British Ragdoll CC

10th January 09

I was looking forward to judging at this show and this year I made it, I was not disappointed. My grateful thanks to the Club, committee and show manager Mrs Celia Leighton and her assistants Paula Long & Len Southern. I had a lovely time amongst so many lovely Ragdoll. I liked the venue and the ideal of 7 breed shows in same venue. Once again I was very pleased to have Nicky Butler as my steward, thank you Nicky for coming specially; I hope you enjoyed your day. Sincere thanks to the exhibitors for entering their lovely cats, many thanks for the gift which I shall enjoy at my leisure.

Wonderful boning, substance to this girl who is very mature with good length to the body, showing a very muscular look and feel to, correct short neck with good depth to chest. Medium size firm set legs with large round tufted paws. Excellent full coat that was beautifully groomed, glowing with health and of a very attractive beige, intermingling with light cream, on chest and belly, lovely ruff around head, just completed the overall look, nice full knickerbockers. A most beautiful girl who had such a serene expression and with the most endearing of natures, she shone. I was delighted to judge this lovely lady and congratulations on winning Res Imperial.
