

West of Scotland CC 13th December 08

It was with pleasure I accepted the invitation to judge at West of Scotland, my grateful thanks to the show managers, Ian & Caroline Thompson. As always the West proved to be a very popular show, very well supported with a very typical warm Scottish welcome and atmosphere. It is great to see the West so vibrant, like the hey days. To my very pleasant efficient steward, Rosemary Linnet my grateful thanks for your assistance again, making the day very enjoyable, for your patience and enthusiasm throughout. I was delighted with the very big entry under me, thank you to the exhibitors for entering your lovely cats under me; sadly many lovely cats went without a prize I had a most enjoyable, pleasant day; the Semi LH Section is so vibrant and alive. Thank you everyone for a lovely day, the goody bag was lovely.

Seal Tabby Ragdoll 16/8/08. Another lovely kitten. Nice broad head with good flat plane,

good width to well developed cheeks, with a nicely full developed rounded muzzle, firm chin and level bite. Good width between well furnished ears, faint thumb prints, rounded, just a little high at present, (due to age) correct medium length to nose showing gentle dip, retrousse to tip. Large expressive well opened eyes, with faint spectacles, with oblige set and of a very good blue. Colouring to ears, mask, legs, particularly at paws pads and on a medium length tail, sparse at present indicates this attractive girl may be a Blue Tabby, time will tell. For just over 3 months this lovely girl was of good weight, boning and substance, good length to her body, set on sturdy medium legs with large round tufted paws. Very nicely groomed and prepared silky coat very much a kitten coat but quite clear. I rather liked this pretty girl who was so affectionate and very playful; I will watch her progress with interest. Beautifully shown.
